Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: Claims 2,7,8,10-20 are allowed because applicant has shown on page 7 of the arguments that the prior art does not meet the claimed amount values for formula (3). The prior art shows much lower values for formula (3). Thus, it would not have been obvious to choose a range as claimed.

The examiner notes the value of formula (3) is 0.045 for Kanagasabapathy which is very close to the value of 0.05 which is the lower claimed range (0.05-0.15) of formula (3). However, based on rules for rounding numbers as shown on page 12 of Hurlburt (internet printout), the value of 0.045 is rounded to 0.04 because 4 is an even number and 5 is rounded down to 4 (Rule 3).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rosemary E. Ashton whose telephone number is 571-272-1326. The examiner can normally be reached on Mon-Fri, 11:00-5:00.
